## CHAIRMAN'S MESSAGE

Covid19 has changed all our lives, and the Parish Council hope that you are fit and well, and have adjusted to this new way of living. This newsletter can only be produced electronically at the moment, although it will be posted on our notice boards. If you know of anyone who cannot access our website and would like a copy of this newsletter, please let one of our Councillors know and we will try and deliver a hard copy.

Hopefully you are all aware of our Ravensden helpline [ravensdenhelpline@gmail.com](mailto:ravensdenhelpline@gmail.com) or phone 772230, for residents who need help with shopping/ prescription collection etc. during the lockdown. David Jacobs has done a sterling job of coordinating the helpline and matching requests with volunteers. If you would like to join the volunteers please use the contact above. Thank you, David, for setting up this really useful helpline for our more vulnerable residents.

## GRASS CUTTING INFORMATION

The Parish Council have arranged that the grass verges are cut with a single cut, to conserve as much of the habitat as possible during early spring and summer. Later in the year a full cut is made in order to keep the roadsides safe.
